Terms of warranty for products from Esselte Office Products Oy

Warranty period 3 years

The following conditions, which describe the requirements and the extent of our warranty service, do not affect your legal rights, especially the seller's warranty obligation caused by the sales contract with the end consumer. These warranty conditions are valid for all the enclosed mentioned products, worldwide bought, of the company Esselte Office Products Oy.

1. Warranty period and start of the warranty

The warranty starts with date of purchase and lasts for 3 years.

Benefits that we render due to this warranty do not effect an extension of the warranty time.

2. Content and extent of the warranty

Product defects that are due to material or production faults will be eliminated by the choice of Esselte Office Products Oy through either repair or replacement delivery (if necessary against an equivalent product, having the same or comparable quality).

In case of a replacement delivery the belongings of the replaced product will be transferred to Esselte Office Products Oy. The warranty does not allow any claims for compensation beyond towards Esselte Office Products Oy.

3. Conditions and use of the warranty

The warranty service will just be rendered by presenting the original invoice / purchase receipt or a copy of it.

It is a "bring in warranty" (customer bears the postage costs for the consignment).

For an optimum execution and to avoid extra costs it is mandatory to contact our customer service in advance by phone or in written form.

Product faults have to be complained immediately after detection and within the warranty time at the dealer, where the product has been purchased. Alternatively, demands out of this warranty can be made on Esselte Office Products Oy at the following contact details:

Esselte Office Products Oy
Klovinpellontie 1-3
02180 Espoo

E-mail: Baltic@acco.com

4. Limitation of the warranty

The 3-year warranty is limited for lever arch files and ringbinders on the mechanics.

The warranty is not valid in case of faults, that are causally reduced to:

- a) Incorrect installation e.g. inobservance of the valid safety regulations respectively the enclosed user manual or rather the incorrect assembly against the assembling instructions for OrgaClass shelves and counters, in particular with regard to angle support, locking clips and stabilizers;
- b) Improper use as well as incorrect operation or treatment of the product e.g. not using Leitz/Rapid/Petrus staples or use of wrong kind of staples for staplers/ stapling pliers or exceeding the allowed max. loading capacity of the ORgaClass shelves and counters for the use of x-ray film pockets; the punching of e.g. clips/foils etc. with the hole punches, the insert of extraneous materials in the lamination machines instead of the common lamination foil;
- c) External influences e.g. transportation damages, which are not covered by us;
- d) Executed repairs or changes on a product, which have not been executed from Esselte Office Products Oy or an authorized customer service;
- e) Non-observance of the care and cleaning work according to manual, e.g. no or not enough oiling/greasing of the punching stamps of the hole punches or missing or insufficient cleaning of the rolls of the lamination machines by means of cleaning cartons.
